

EDISON G. PEREZ

PROFILE

Results-driven Inside Sales Specialist with over 20 years of combined experience in sales, business development, customer relationship management, training, and account growth.

Currently serving as an Offshore Inside Sales Specialist for SafeSmart Access Canada Inc, supporting lead generation, customer engagement, quotation management, CRM administration, and sales pipeline development.

Proven ability to build strong client relationships, identify customer needs, generate qualified opportunities, and contribute to revenue growth in highly competitive markets. Experienced in remote work environments, CRM platforms, sales administration, customer success, and business communications.

Strong communicator with extensive background in sales, mentorship, and online education.

A dedicated sales professional known for persistence, professionalism, excellent customer service, and a consultative selling approach.
